

SCARLETINTEL — GOVERNANCE & DISCLOSURES

ScarletIntel | Version 1.0 | Date: 2026-01-03

Purpose

This document sets out ScarletIntel's governance principles, disclosures, and independence commitments. ScarletIntel operates as an external intelligence service providing observational risk insights without enforcement authority or regulatory substitution.

Governance Principles

ScarletIntel operates under principles of independence, proportionality, transparency of method, and non-intervention. Findings are informational and do not constitute legal conclusions.

Independence

ScarletIntel maintains operational independence from operators, suppliers, regulators, and law enforcement. Clients retain sole responsibility for decisions and escalation.

Conflicts of Interest

ScarletIntel does not accept contingent compensation linked to outcomes, enforcement actions, or regulatory decisions.

Disclosures

All intelligence outputs include scope, confidence indicators, and limitations. No claims of illegality or compliance determination are made.
